Owner Portal

Statements and other rental information can be viewed using Owner Portal on the Big Bear Cool Cabins website. Please login using your email address and then set up a password.

Checks and Statements

Statements and Direct Deposit are posted online around the 10th of each month. Please provide us with a voided check or deposit slip if you'd like direct deposit. Printed checks are processed by the bank by the 15th of each month and the check is for reservations departed the previous month.

Insurance Info

Appropriate property and liability insurance is required with a minimum of 100,000 in coverage. Please add Big Bear Cool Cabins, Inc. as additionally insured. Companies will add that at no additional charge. Please consult your insurance agent to be sure that you are adequately covered. Higher limits may be recommended. Please submit a copy of the policy to Cool Cabins.

Owner Stays

Dates can be blocked off for the owner and/or owner guest. Owner has the option of cleaning or having our housekeeping clean. A fee does apply if we clean based upon size, number of bedrooms, etc. During busy Winter months (mid-December through February), Owner Stay cleaning fees are doubled due to the amount of overtime required for housekeeping. If the homeowner cleans, the house must be left guest ready – sheets clean, beds made, supplies replaced, etc. Our housekeepers clean automatically after the owner guest. Owner guest can pay the clean fee directly to us or the fee will be deducted from the owner statement.

Spa Servicing

\$75 per month for the weekly service plus \$20 for extra services needed. This includes cleaning the filter, chemicals, and cleaning and vacuuming the inside of the spa. Hot tubs must have weekly spa service and must be serviced again if multiple guests are in during the same week. Filters are changed as needed and billed to the owner. With rentals, dump and fills are typically necessary twice per year and will be done automatically when necessary. There is a \$75 charge for this. You are welcome to use another spa service company if you prefer. Be sure they provide service 7 days a week and check their rate for a weekend service call. All spas must be secured with a chain and lock. If not done by the homeowner, we will put on the chain and lock. A \$55 charge will be deducted from the owner statement. This is required per city ordinance as well as necessary for the safety of our guests and others.

Snow Removal

BBCC can set this up for you or please provide us with the information of the company handling that service for you. City and County ordinance requires the removal of snow quickly.
