City Ordinance Inspection (for homes in zip code 92315 only)

There is an initial inspection and an annual inspection homes must pass in order to be rented. Our maintenance staff is extremely familiar with the city requirements. Any requirements necessary to bring the home into compliance can be taken care of by Big Bear Cool Cabins and billed to your monthly statement or taken care of by the owner. If your home is in the City of Big Bear Lake, it will need to be registered with the city as a vacation rental property. There is an initial fee of \$550* plus \$60 Labor Fee. The initial inspection fee will be required to be paid by the owner. We will submit your payment to the city with the proper paperwork. When your annual fee is due, this will be paid by Big Bear Cool Cabins and will appear as a deduction on your monthly statement of \$550* plus \$60 Labor Fee. Proof of insurance is required with application.

County Ordinance Inspection (for homes outside of zip code 92315)

There is an initial inspection and an annual inspection homes must pass in order to be rented. Our maintenance staff is extremely familiar with the county requirements. Any requirements necessary to bring the home into compliance can be taken care of by Big Bear Cool Cabins and billed to your monthly statement or taken care of by the owner. There is an initial fee of \$667* plus a \$60 Labor Fee. The initial inspection fee will be required to be paid by the owner. We will submit your payment to the county with the proper paperwork. When your bi-annual fee is due for renewal, this will be paid by Big Bear Cool Cabins and will appear as a deduction on your monthly statement of \$401* plus \$60 Labor Fee.

*Should the City or County Inspection fees be raised, you will be responsible for the higher fee when we submit the application.

Owner Portal

Statements, calendars, 1099 documents, and other rental information can be viewed using the complimentary Owner Portal on the Big Bear Cool Cabins website. We will send you a link to set up your login info and password.

Checks and Statements

Statements and Direct Deposit are posted online between the 10th and the 15th calendar day each month. Please provide us with a voided check or deposit slip if you'd like direct deposit. Printed checks are processed by the bank by the 15th of each month and the check is for reservations departed the previous month.

Insurance Info

Appropriate property and liability insurance is required with a minimum of \$100,000 in coverage. Please add Big Bear Cool Cabins, Inc. as additionally insured. A vacation rental rider must also be on the form. Companies will add that at no additional charge. Please consult your insurance agent to be sure that you are adequately covered. Higher limits may be recommended. Please submit a copy of the policy to Cool Cabins. Please contact a property manager if you'd like some insurance referrals.

Owner Stays

Dates can be blocked off for the owner and/or owner guest. Owner has the option of cleaning or having our housekeeping clean. A fee does apply if we clean based upon size, number of bedrooms, etc. During busy Winter months (mid-December through February), Owner Stay cleaning fees are doubled and free owner cleans may not be used due to the amount of overtime required for housekeeping. If the homeowner cleans, the house must be left guest ready – sheets clean, beds made, supplies replaced, etc. Owner guest can pay the clean fee directly to us or the fee will be deducted from the owner statement.

Spa Servicing

We have a qualified spa servicing team; our cost is \$90 per month for weekly service. This includes cleaning the filter, chemicals, and cleaning and vacuuming the inside of the spa. Hot tubs must have weekly spa service and must be serviced again if multiple guests are in during the same week, including owner stays. Each additional service is \$25, this can be charged to the guests or owners. Filters are changed as needed and billed to the owner. With rentals, dump and fills are typically necessary twice per year and will be done automatically when necessary. You are welcome to use another spa service company if you prefer. Be sure they provide service 7 days a week and check their rate for a weekend service call. All spas must be secured with a chain and lock. If not done by the homeowner, we will put on the chain and lock. A \$55 charge will be deducted from the owner statement. This is required per city ordinance as well as necessary for the safety of our guests and others(see contract to opt-in).

Snow Removal

We can set up snow removal at a cost of \$660 per winter season. This includes a plowed driveway, a shoveled pathway to the front door, and a shoveled path way to the hot tub (if applicable). If you will hire another company or representative for snow plowing, please provide us with their contact information. City and County ordinance requires the removal of snow quickly.
